

TOP 10 REASONS

WHY parents bring their children in for KINESIOLOGY at Outback Wellness!

- 1 To balance the jaw (and relax most muscles in the body) allowing **efficient, effective, body functioning**.
- 2 To support hydration throughout the body (to allow messages & nutrients to flow everywhere they're needed).
- 3 To support neural pathways in the brain and better communication throughout the body for **mental acuity & physical responsiveness**).
- 4 To resolve **dietary and environmental issues** causing pain and/or behavioural reactions or failure to thrive.
- 5 To reduce **inflammation in muscles and joints** promoting better health.
- 6 To **strengthen immunity**, enabling the child's body to better resist colds, ear-ache and general illness.
- 7 To help their child **learn more easily**, without being labelled, feeling punished or incurring more stress.
- 8 To resolve muscle imbalances - allowing **pain-free, flowing movement**.
- 9 To support **social development** – helping to release fears & stresses.
- 10 To **release traumas** - which can lead to disease and behavioural disorders.
